## DETAILED ACTION

### Election/Restrictions

1. Applicant's election with traverse of Group I, claims 1-15, in the reply filed on 10/20/06 is acknowledged. The traversal is on the ground(s) that there is no burden on the Office. This is not found persuasive because of the showing of burden made in the restriction requirement, the specifics of which Applicant does not appear to respond to.

The requirement is still deemed proper and is therefore made FINAL.

# Allowable Subject Matter

- 2. Claims 1-15 are allowed.
- 3. The following is a statement of reasons for the indication of allowable subject matter: The prior art does not disclose or suggest wherein during exposing, the fluorine-containing material changes from a first composition to a second composition in the process for reducing a level of H2O in a halogen-containing fluid of the instant claims 1 and 9.

#### Conclusion

4. This application is in condition for allowance except for the following formal matters:

Claims 16-28 have been withdrawn as non-elected.
